Dear Kraig:

Wow, we have had some great entertainment and events at the Associated General Contractors of Utah's annual convention but none better than the one you just shared!

I hope you could tell from the crowd that they absolutely loved the entire night and their only wish was for more Elvis. Please share our thanks with the other members of your team. It truly was a great evening and grand finale to what we believe was one of our best conventions ever!

Very truly yours,
ASSOCIATED GENERAL CONTRACTORS
